

# Ceasars Palace, One Good Night

I'm not gonna ruin it tonight,  
I don't wanna spoil nobodys fun  
I'll try to act like it's alright  
And I'll try to look like nothing's wrong

But one good night don't really change a thing  
One good night don't really change a thing

I'll look you straight into your face  
And tell you everything is fine  
But in your heart you know it's true  
This is the end of me and you

Cause one good night don't really change a thing  
One good night don't really change a thing  
One good night don't really change a thing  
One good night don't really change a thing

I'm not gonna ruin it tonight,  
I don't wanna spoil nobodys fun  
I'll try to act like it's alright  
And I'll try to look like nothing's wrong

But one good night don't really change a thing  
One good night don't really change a thing  
One good night don't really change a thing  
One good night don't really change a thing
