

Ceasars Palace, Only You

"I wanna go out honey"

Baby, you've got ears just like Dumbo

It's so sweet

Your knees knock together when you're walking down the street

Your eyes never look in the same direction at the same time

I don't think you're the smartest girl on the block

But i don't mind

Ref:

Only you can reach my heart

Only you and no one else

Only you can reach my heart

Only you can reach my heart

Everytime we go out people stop and stare and they talk about us

And they don't understand what we got

We got true love baby

We've synchronized our heartbeats, YEAH

And we've got the same size in shoes - YES we do!!

Ref:

Only you can reach my heart

Only you and no one else

Only you can reach my heart

Only you can reach my heart
