

CeCe Winans, Come Fill My Heart

Fill this void and emptiness
Shine Your light on my darkness
Satisfy and restore my hand
I long for You, make me whole
Come quench this thirsting, Lord I am ready
Here I am waiting, come fill my heart
You are the only, one who can fill me
Here I am waiting, come fill my heart
Come fill my life, I am incomplete
Let Your love rain down on me
I need You more, Lord I confess
More of You and nothing less
Come quench this thirsting, Lord I am ready
Here I am waiting, come fill my heart
You are the only, one who can fill me
Here I am waiting, come fill my heart
Come and fill me, I am thirsting
For You only, God so holy
Come and fill me, I am thirsting
For You only, God so holy
Come quench this thirsting, Lord I am ready
Here I am waiting, come fill my heart
You are the only, one who can fill me
Here I am waiting, come fill my heart
