

CeCe Winans, Falling In Love

I just keep falling, falling in love with You, (falling in love, falling in love) falling in love with You, falli
You are Alpha
You are amazing,
Better than life
You keep me gazing
I am in awe of Your strength
You're great and no one else compares, I'm so in love with You, I can't but continue to
Keep falling in love with You over and over
All things past all things brand new
My lips shall praise thee
Joyfully give You glory
While lifting my hands in Your due
I just keep falling
I just keep falling, falling in love with You, falling in love with You, falling in love with You
You're my best friend closer than a brother
I can depend on You there's no other
You said I'm the apple of Your eye
Everything wrong You make it right
I am so in love with You
I can't help but continue to
Keep falling in love with You over and over
All things past all things brand new
My lips shall praise thee
Joyfully give You glory
While lifting my hands in Your due
I just keep falling, falling in love with You
When I fall down You're right there to pick me up again
When I'm weak Lord You speak and encourage me to stand
And I stand I'm so in love with You
I can't help but continue to
Keep falling in love with You over and over
All things past all things brand new
My lips shall praise thee
Joyfully give You glory
While lifting my hands in Your due
I just keep falling
