

CeCe Winans, More Than What I Wanted

I wasn't looking
All the colors were gray
It's hard to notice
When You're out in the rain
All of a sudden
Colors are starting to change
You brought the light
Now the darkness is gone
The search is over now I know You are the one
Somebody tell me
Where did an angel come from?
'Cause You're more than just the one
Yeah, You're more than what I wanted
Everything I never had
Gotta get right to Your heart
You can show me where it's at
You are the miracle I needed so bad
You're more than what I wanted
Everything I never had
Somethin' about You, can't say what it is
Thought You should know that
You are the reason I live
I would do anything to make you
Believe me somehow
So I'm telling you now
That You're more than what I wanted
Everything I never had
Gotta get right to Your heart
You can show me where it's at
You are the miracle I needed so bad
You're more than what I wanted
Everything I never had
Just let me say I would die for You
Give all I have to prove my love is true
And I'll never let you go
More than what I wanted
Everything I never had
Gotta get right to Your heart
You can show me where it's at
You are the miracle I needed so bad
You're more than what I wanted
Everything I never had
