

CeCe Winans, Supposed To Be

Lend me your ear
Hear every word I say
And it will change things forever
To the way things are supposed to be

Give me your time
Your time is all I need
Time just to make things better
To the way things are supposed to be

oh Love is the motive behind all I do
And love is the cause I gave my
all for you ooh

So give me your hand
and I will lead the way
And we will pull through no matter
that's the way love is supposed
to be
That's the way it's supposed to be

I know all the words He said are
oh so true
And His love stepped in one day and
found me too

I gave Him my heart
and in return I live
And one day we'll live together
it's the way it was supposed to be
That's the way it's supposed to be
Forever and ever
that's the way it's supposed to be...
