CeCe Winans, That's My King

I wish I could tell you Wish I could describe it But I can't contain it Can't keep it to myself

There aren't enough colors To paint the whole picture Not enough words To ever say what I found

Wonderful and beautiful And glorious and holy He is merciful and powerful Who we talkin' about? That's my King

We declare the glory Give Him all the honor Altogether worthy Who we talkin' about? That's my King There's no one before You Yes, we will adore You All of this is for You Who we talkin' about? That's my King

I'm not letting the rocks cry Without joining the chorus There aren't enough notes To make the harmony

It's the song of the angels (angels) Through all of the ages (ages) It's all of the earth And heaven's symphony

Wonderful and beautiful And glorious and holy He is merciful and powerful Who we talkin' about? That's my King

We declare the glory Give Him all the honor Altogether worthy Who we talkin' about? That's my King There's no one before You Yes, we will adore You All of this is for You Who we talkin' about? That's my King That's my King Is He your King tonight

That's my King That's my God That's my Shepherd My protector That's my King That's my Rock That's my Anchor My Defender That's my King That's my God That's my Shepherd My protector That's my King That's my Rock That's my Anchor My Defender
