

CeCe Winans, Waging War

Anoint my head anoint my feet
Send your angels raining down
Here on the battle ground
For your glory
Were taking territory
Fighting unseen enemies
Like never before
Were Waging War

Be my sword
Be my shield
As we claim the victory
Over the enemy
In your name
You rule and rain
Never being defeat
Anymore
Were waging war

[Bridge]

Send your fire
Send your fire

[Bridge 2:]

Fire by night
Cloud by day
A strong tower
Send the latter rain
Lion of Judah
Lord, God,
Mighty In battle
Since you did
It back then
We know you'll do
It again

Were going into battle
Were going into battle

[Bridge 2]

Waging war
