

# CeCe Winans, You Are Loved

Yes, oh yeah  
When I promised I'd be there  
And told you I would always care  
Well, I meant every word  
And I know it's hard to let me close  
Those times that really hurts the most  
I'm trying desperately to be heard  
Though you try to push me away  
I can feel your sorrow  
You don't have to be afraid  
'Cause you, you are loved, somebody told me to tell you  
You've been waiting for someone to say  
You are loved, so let your heart be encouraged  
It's gonna be okay, 'cause you are loved  
No, you're not alone, you've got a friend  
To be by your side from the start till the end  
And I will always be around for you  
So whenever, you began to doubt  
Oh, my love for you will show  
Just how I'm faithful and that I remain true, oh yeah  
No matter what life takes you through  
You see I will be the one  
That you can always come back to  
'Cause you, you are loved, somebody told me to tell you  
You've been waiting for someone to say  
You are loved, so let your heart be encouraged  
It's gonna be okay, 'cause you are loved

Believe within your heart from this moment on  
There's someone who loves you in a special way  
No matter what you do, no matter what you say  
Just remember this everyday  
You are loved, somebody told me to tell you  
You've been waiting for someone to say  
You are loved, so let your heart be encouraged  
It's gonna be okay, you are  
You are loved, somebody told me to tell you  
You've been waiting for someone to say  
You are loved, so let your heart be encouraged  
It's gonna be okay, you are loved  
You are loved, yes, you are  
Someone told me to tell you  
You are loved  
Someone told me to say  
You are loved  
Someone told, somebody told me to tell you  
Someone told me to say, you are loved  
You gotta believe, you are loved  
Someone told me to tell you  
Told me to say that you are loved  
You are loved, you are loved  
Somebody told me to tell you  
You are loved, you are loved  
You are loved, you are loved
