

Cee-Lo Green, Baby, It's Cold Outside (ft. Christina Aguilera)

I really can't stay ? But baby it's cold outside
I've got to go away ? But baby it's cold outside
This evening has been ? Been hoping that you'd drop in
So very nice ? I'll hold your hands, they're just like ice
My mother will start to worry ? Beautiful, what's your hurry?
My father will be pacing the floor ? Listen to the fireplace roar
So really I'd better scurry ? Beautiful, please don't hurry
Well maybe just a half a drink more ? Put some records on while I pour

The neighbors might think ? Baby, it's bad out there
Say, what's in this drink ? ? No cabs to be had out there
I wish I knew how ? Your eyes are like starlight
To break the spell ? I'll take your hat, your hair looks swell
I ought to say no, no, no, sir ? Mind if I move in closer?
At least I'm gonna say that I tried ? What's the sense in hurting my pride?
I really can't stay ? Baby don't hold out
Oh, but it's cold outside

I simply must go ? But, baby, it's cold outside.
The answer is no ? But, baby, it's cold outside.
This welcome has been ? How lucky that you dropped in.
So nice and warm ? Look out the window at that storm.
My sister will be suspicious ? Gosh, your lips look delicious.
My brother will be there at the door ? Waves upon a tropical storm.
My maiden aunt's mind is vicious ? Oh, your lips are delicious.
Maybe just a cigarette more ? Never such a blizzard before.

I've got to go home ? But, baby, you'll freeze out there
Say, lend me your coat ? It's up to your knees out there
You've really been grand ? I'm thrilled when you touch my hand
But don't you see ? How can you do this thing to me?
By There's bound to be talk tomorrow ? Think of my life long sorrow
At least there will be plenty implied ? If you caught pneumonia and died
I really can't stay ? Get over that hold out
Ohhh, baby it's cold outside
