

# Ceili Rain, Junkyard

Saw a movie where a guy  
Kills another guy- twice  
Don't know if I can forget about it  
Saw a guy finish a fight  
With a butcher knife- slice  
Pretty sure I won't forget about it  
Is it okay- if I say  
My heart is not a junkyard  
My mind is not a dump for all the gunk around  
My spirit's not a junkyard  
No, it's Holy ground  
Saw a photo on the net  
Can't believe that I've seen  
Don't know if I can forget about it:  
Two kids were playin' in some dirt  
That'll never come clean  
Wish to God I could forget about it  
No one's safe 'til we all say  
My heart is not a junkyard  
My mind is not a dump for all the gunk around  
My spirit's not a junkyard  
No, it's Holy ground  
Wanna keep- keep the temple clean  
Gotta keep- keep the temple clean  
Tryin' to keep- keep the temple clean  
How do I keep the temple clean?

A vicious rumor went around  
Wrecked my Uncle John's life  
Guess he never could forget about it  
No one's safe 'til we all say  
My heart is not a junkyard  
My mind is not a dump for all the gunk around  
My spirit's not a junkyard  
No, it's Holy ground
