

Celeda, Dirtyfilthy

The party
Just got started
And the dancefloor
Is full
The children are living
And the music just keeps on giving
This type of groove
Makes us want to move

Can you feel it?
Ah come on!
Can you feel it?
I said can you feel it?

I feel it coming!!!

I cant sit down in my seat
A when I hear that dirtyfilthy beat
It sounds mighty mighty sweet
I said It sounds mighty mighty sweet

Its in my hands I just need to clap
Its in my feet I just need to stomp
Its in my heart
