## Celesty, Charge

I ride, and send my troops into fight Soon they all will sing for victory My troops and sword will help me on my way... (And) I'll rule this world eternally Èternally!! Now, that daylight has arrived And I see the end of fight I have won the war Now it's time for second door To Fedoria I must ride I'll be there before the night Maegon must die He has no place to hide I ride, and send my troops into fight Soon they all will sing for victory My troops and sword will help me on my way (And) I'll rule this world eternally Ì ride!
