Celine Dion, Ain't Gonna Look The Other Way

Used to be easy
Used to have truth hangin' round
Never had secrets
Always singing your praises now good and loud
All I got is questions
And you left me wondering why
Why you keep your distance
Every lonely night
When love was bound together
We lived it by the letter
Can't close my eyes forever
'Cause everything has changed and now
I ain't gonna look the other way
Nomore
After all the clouds go by
It's just another empty sky
I ain't gonna wait to see the rain
No, no
Nothin's gonna make it right
Look at me 'cause I choose life
It's all about giving
It's not about winning the game
My mind was open
Ready or not you closed it up again
Still I keep asking
If you got something to hide
I never stop learning
All the reasons why
It took about a minute
To find the point and hit it
Gotta take this life and live it
'Cause everything has changed and now
I ain't gonna look the other way
Nomore
 After all the clouds go by
It's just another empty sky
I ain't gonna wait to see the rain
No, no
Nothin's gonna make it right
Look at me 'cause I choose life
When all the lights go out so suddenly
I lose my way
So, baby, tell me, is something going on?
You gotta free me this time I'm gonna be strong
I ain't gonna look the other way
Nomore
After all the clouds go by
It's just another empty sky
I ain't gonna wait to see the rain
No, no
Nothin's gonna make it right
Look at me 'cause I choose life
I ain't gonna look the other way
After all the clouds go by
It's just another empty sky
I ain't gonna wait to see the rain
Nothin's gonna make it right
Look at me 'cause I choose life
No, nomore
Gonna do it, gonna make it alright
Gonna do it, gonna choose this life
Nothin's gonna make it right
Look at me 'cause I choose life
Oh, baby, nothin's gonna make it right, oh

It used to be easy
It's not about
