Calling You

A desert road from vegas to nowhere  
Some place better than where you've been  
A coffee machine that needs some fixing  
In a little caf just around the bend

I am calling you  
Can't you hear me  
I am calling you

A hot dry wind blows right thru me  
The baby's crying and can't sleep  
But we both know a change is coming  
Coming close sweet release

I am calling you  
I know you hear me  
I am calling you oh
