Celine Dion, Christmas Eve

Snow falling gently to the ground 'Tis the night before And in my heart there is no doubt That this is gonna be The brightest holiday 'Cause here you are with me Baby, baby, Í can't wait To spend this special time of year with someone who Makes me feel the special way that you do Walkin' with you in a winter's snow Kissin' underneath the mistletoe People smiling everywhere we go It's Christmas Eve and they can see we're in love Ooh, you make the season bright With the lights reflected in your eyes All my dreams are comin' true tonight It's Christmas Eve and I can see we're in love We'll stay up late tonight Decorate the tree Just look into my eyes And I will tell you truthfully That I don't need no Santa Claus To hear my Christmas wish I got you in my arms And what could be a better gift Than to spend my favorite time of year With the one I really love so near, Oh Yeeeaahhh Walkin' with you in a winter's snow (winter snow) Kissin' underneath the mistletoe (mistletoe) People smiling everywhere we go It's Christmas Eve and they can see we're in love Ooh, you make the season bright With the lights reflected in your eyes All my dreams are comin' true tonight It's Christmas Eve and I can see we're in love And bells are ringing when I hear you say We'll do it all again on Christmas Day I can't wait Walkin' with you in a winter's snow Kissin' underneath the mistletoe People smiling everywhere we go It's Christmas Eve and they can see we're in love Ooh, you make the season bright With the lights reflected in your eyes All my dreams are comin' true tonight It's Christmas Eve and I can see we're in love Walkin' with you in a winter's snow Kissin' underneath the mistletoe People smiling everywhere we go
