

Celine Dion, Coulda Woulda Shoulda

Did you ever fall in love
At the right time or place
Does it always have to move
At it's own kinda pace
When you're driving on cruise control
Coming up a bumpy ride
And your heart is back in shape
Then it hits you with no chance to hide
But don't you miss out on the way
Don't find a reason to say
Coulda woulda shoulda
(But I didn't do that)
(You gotta) give it a shot
Better believe
And don't say you
Coulda woulda shoulda
(But I didn't do that)
Just throw in everything you've got
Coz in love there's no holding back
Tell me that you played it safe
Coz you're afraid to hurt your neck
On the rollercoaster train
Never knowing what you get
You think you wanna be cynical
Wanna date the best in me
Giving up the greatest trash
Who knows what it turns out to be
Don't you miss out on the way
Don't find a reason to say
Coulda woulda shoulda
(But I didn't do that)
(You gotta) give it a shot
Better believe
And don't say you
Coulda woulda shoulda
(But I didn't do that)
Just throw in everything you've got
Coz in love there's no holding back
Ooohh
It's meant to be
But don't think about it
Let love run free
Coz you're on your way
Follow your heart where it's calling on you
Don't you say
But I didn't do that
I didn't do that baby
Gotta believe it
Coulda woulda shoulda
(But I didn't do that)
(You gotta) give it a shot
Better believe
And don't say you
Coulda woulda shoulda
(But I didn't do that)
Just throw in everything you've got
Coz in love there's no holding back
Didn't do that
Coulda woulda shoulda
Just throw in everything you've got
Coz in love there's no holding back
