Celine Dion, "Have You Ever Been In Love" By C

Have you ever been in love? You could touch the moonlight When your heart is shooting stars You're holding heaven in your arms Have you ever been so in love? Have you ever walked on air? Ever felt like you were dreamin' When you never thought it could But it really feels that good Have you ever been so in love? Have you ever been in love? You could touch the moonlight When your heart is shooting stars You're holding heaven in your arms Have you ever been in love, have you? The time I spent Waiting for something that was heaven-sent When you find it don't let go, I know Have you ever said a prayer And found that it was answered? All my hope has been restored And I ain't looking anymore Have you ever been so in love, have you? Some place that you ain't leavin' Somewhere you're gonna stay When you finally found the meanin' Have you ever felt this way? The time I spent Waiting for something that was heaven sent When you find it, don't let go, I know 'Coz have you ever been so in love, so in love? You could touch the moonlight You can even reach the stars Doesn't matter near or far Have you ever been so in love? I said Have you ever been in love? Have you ever been in love?

So in love
