

# Celine Dion, I Drove All Night (Live)

I had to escape  
The city was sticky and cruel  
Maybe I should have called you first  
But I was dying to get to you  
I was dreaming while I drove  
The long straight road ahead, uh huh, yeah  
Could taste your sweet kisses  
Your arms open wide  
This fever for you is just burning me up inside  
I drove all night to get to you  
Is that alright?  
I drove all night  
Crept in your room  
Woke you from your sleep  
To make love to you  
Is that alright?  
I drove all night  
What in this world  
Keeps us from falling apart?  
No matter where I go I hear  
The beating of our one heart  
I think about you  
When the night is cold and dark, uh huh, yeah  
No one can move me  
The way that you do  
Nothing erases this feeling between me and you, ho

I drove all night to get to you  
Is that alright?  
I drove all night  
Crept in your room  
Woke you from your sleep  
To make love to you  
Is that alright?  
I drove all night  
I could taste your sweet kisses  
Your arms open wide  
This fever for you is just burning me up inside  
I drove all night to get to you  
Is that alright?  
I drove all night  
Crept in your room  
Is that alright?  
I drove all night  
I drove all night to get to you  
Is that alright?  
I drove all night  
Crept in your room  
Is that alright?  
Is that alright?  
Is that alright?
