

# Celine Dion, I Love You

Celine Dion  
Falling Into You  
I Love You  
I must be crazy now  
Maybe i dream too much  
But when i think of you  
I long to feel your touch

To whisper in your ear  
Words that are old as time  
Words only you would hear  
If only you were mine

I wish i could go back to the very first day i saw you  
Should've made my move when you looked in my eyes  
'cause by now i know that you'd feel the way that i do  
And i'd whisper these words as you'd lie here by my side

I love you, please say  
You love me too, these three words  
They could change our lives forever  
And i promise you that we will always be together  
Till the end of time

So today, i finally find the courage deep inside  
Just to walk right up to your door  
But my body can't move when i finally get to it  
Just like a thousand times before

Then without a word he handed me this letter  
Read i hope this finds the way into your heart, it said

I love you, please say  
You love me too, these three words  
They could change our lives forever  
And i promise you that we will always be together  
Till the end of time

Well maybe i, i need a little love yeah  
And maybe i, i need a little care  
And maybe i, maybe you, maybe you, maybe you  
Oh you need somebody just to hold you  
If you do, just reach out and i'll be there

I love you, please say  
You love me too  
Please say you love me too  
Till the end of time  
These three words  
They could change our lives forever  
And i promise you that we will always be together

Oh, i love you  
Please say you love me too  
Please please  
Say you love me too  
Till the end of time  
My baby  
Together, together, forever  
Till the end of time  
I love you  
I will be your light  
Shining bright  
Shining through your eyes

My baby
