

Celine Dion, I Love You

Celine Dion
Falling Into You
I Love You
I must be crazy now
Maybe i dream too much
But when i think of you
I long to feel your touch

To whisper in your ear
Words that are old as time
Words only you would hear
If only you were mine

I wish i could go back to the very first day i saw you
Should've made my move when you looked in my eyes
'cause by now i know that you'd feel the way that i do
And i'd whisper these words as you'd lie here by my side

I love you, please say
You love me too, these three words
They could change our lives forever
And i promise you that we will always be together
Till the end of time

So today, i finally find the courage deep inside
Just to walk right up to your door
But my body can't move when i finally get to it
Just like a thousand times before

Then without a word he handed me this letter
Read i hope this finds the way into your heart, it said

I love you, please say
You love me too, these three words
They could change our lives forever
And i promise you that we will always be together
Till the end of time

Well maybe i, i need a little love yeah
And maybe i, i need a little care
And maybe i, maybe you, maybe you, maybe you
Oh you need somebody just to hold you
If you do, just reach out and i'll be there

I love you, please say
You love me too
Please say you love me too
Till the end of time
These three words
They could change our lives forever
And i promise you that we will always be together

Oh, i love you
Please say you love me too
Please please
Say you love me too
Till the end of time
My baby
Together, together, forever
Till the end of time
I love you
I will be your light
Shining bright
Shining through your eyes

My baby
