

# Celine Dion, If These Walls Could Talk

Celine Dion

All The Way-a Decade Of Song

If These Walls Could Talk

these walls keep a secret

That only we knew

But how long can they keep it

Cause we're two lovers who lose control

We're two shadows chasing rainbows

Behind closed windows

Behind closed doors

If walls could talk - oh

They would say 'i want you more'

They would say 'hey - never felt like this before'

And that you would always be

The one for me

Just two people making memories

Too good to tell

And these arms are never empty

When we're lying where we fall

We're painting pictures, making magic,

Taking chances,

Making love

If walls could talk - oh

They would say 'i want you more'

They would say 'hey - never felt like this before'

And that you would always be

The one for me

If the walls had eyes - my

They would see the love inside

They would see - me

In your arms in ecstasy

And with every move they'd know

I love you so

When i'm feeling weak

You give me wings

When the fire has no heat

You light it up again

When i hear no violins

You play my every string

So stop the press

Hold the news

The secret's safe between me and you

Walls - can you keep a secret?

If walls could talk - oh

They would say 'i want you more'

They would say 'hey - never felt like this before'

And that you would always be

The one for me

If the walls had eyes - my

They would see the love inside

They would see - me

In your arms in ecstasy

And with every move they'd know

I love you so
