

# Celine Dion, Just Walk Away

I know I never loved this way before  
And no one else has loved me more  
With you, I've laughed and cried  
I have lived and died  
What I wouldn't do just to be with you  
I know I must forget you to go on  
I can't hold back my tears too long  
Though life won't be the same  
I've got to take the blame  
And find the strength I need to let you go  
Just walk away, just say goodbye  
Don't turn around now, you may see me cry  
I mustn't fall apart or show my broken heart  
Or the love I feel for you  
So walk away and close the door  
And let my life be as it was before  
And I'll never, never know  
Just how I let you go  
But there's nothing left to say  
Just walk away  
There'll never be a moment I'll regret  
I've loved you since the day we met  
For all the love you gave  
And all the love we made  
I know I've got to find the strength to say  
Just walk away, just say goodbye  
Don't turn around now, you may see me cry  
I mustn't fall apart or show my broken heart  
Or the love I feel for you  
So walk away and close the door  
And let my life be as it was before  
And I'll never never know  
Just how I let you go  
But there's nothing left to say  
Just walk away
