

# Celine Dion, Love Can Move Mountains (From My Love)

There ain't a dream that don't  
Have a chance  
To come true now  
It just takes a little faith baby  
Anything that we want to do  
We can do now  
There ain't nothing in our way baby  
Nothing our love couldn't raise above  
We can get through the night  
We can get to the light  
Long as we got our love to  
Light the way  
With a little faith  
Just a little trust  
If you believe in love  
Love can move mountains  
Believe in your heart  
And feel, feel it in your soul  
And love baby love can  
Move mountains

Ocean deep and mountains high  
They can't stop us  
Because love is on our side baby  
We can reach the heavens and  
Touch the sky  
Just believe it, believe in you and I baby  
If we got love that is strong enough  
We can do anything, make it  
through anything  
'Coz through it all love will always  
Find a way

With a little faith...

You believe in me  
I'll believe in you  
If we believe in each other  
Nothing we can't do  
If we got love that's strong enough  
Love will find a way

With a little faith
