Celine Dion
Chante Plamondon
Piaf Would Be Signing Rock.
Elle tait ne dans la rue
On croyait son histoire
Elle mettait son me nu
Comme aujourd'hui les rock-stars

She was born in the street
We believed in her story
She exposed her soul
Like today's rock stars
Sa carrire c'tait sa vie
Et tant pis si a vous choque
Si piaf vivait aujourd'hui
Sa vie en rose serait en rock
Et m&ecicr;me son hymne l'amo
Sonnerait au got du jour

He carreer was her life
And even if you're shocked
If piaf was living today
He "vie en rose" would be rock
And even her "hymne l'amour"
Would sound to today's taste
Piaf chanterait du rock
Elle vivrait aujourd'hui
Avec son poque
Piaf chanterait du rock
Elle serait elle aussi
Sous le choc
De la musique rock

Piaf would sing rock
She would live today
With her era
Piaf would sing rock
She would be too
Under the impact
Of the rock music
Elle vivait au maximum
Ses passions comme ses chansons
Et quand elle aimait un homme
L'univers savait son nom

She would live at maximum
Her passions as well as her songs
And when she was in love with a man
The whole universe knew his name
Vous qui poursuivez son cri
Remettez vos montres l'heure
Si piaf vivait aujourd'hui
Son cri du coeur serait rockeur
Elle hurlerait pleine sono
Son homme la mo

You who are chasing her shout
Put your watches back on time
If piaf would live today

Her "cri du coeur" would be rocker
She would howl at full sound
Her "homme la moto"
Piaf chanterait du rock
Elle vivrait aujourd'hui
Avec son poque
Piaf chanterait du rock
Elle serait elle aussi
Sous le choc
De la musique rock

Piaf would sing rock
She would live today
With her era
Piaf would sing rock
She would be too
Under the impact
Of the rock music
