

# Celine Dion, Real Emotion

Hah yea  
Give it to me, give it to me baby  
(Give it to me, give it to me baby)  
Give it to me  
(Give it to me)  
Hah  
You don't have to give me rings on my fingers  
Promise me the moon and stars in the sky  
Or bring me roses just to show me you love me  
That ain't gonna win this heart of mine  
All the diamonds you can buy won't impress me  
Pretty words ain't gonna prove your love  
I need more than just tokens of affection  
I'm not askin' for too much now, baby  
I don't need no fancy cars  
Just need somethin' from the heart  
Yea yea yea  
I need real emotion  
Feel, gotta feel it inside  
Give me that real emotion  
'Coz I need some  
(Coz I need some)  
Need to feel some tonight  
Give me a love that's genuine  
Real emotion, real emotion  
Show me something that my heart can believe in  
Imitation love don't mean a thing, no no  
Baby, it's got to be the real thing or nothin'  
Show me what's it gonna be now, baby  
I'm not askin' much from you  
Just a love that's deep and true  
Yea yea yea yea  
I need real emotion  
I feel gotta feel it inside  
Give me real emotion  
'Coz I need some  
(Coz I need some)  
I need to feel some tonight  
Give me your love that's genuine

Not a cheap imitation of love  
I need somethin' that's real  
(Real emotion)  
I can feel in my heart, baby  
I've been waitin' so long  
So long  
For a love, for a love, for a love that's strong  
Yeah  
I don't need no fancy cars  
Just need somethin' from the heart  
Yea yea yea yea  
Yea yea  
I need  
(Feelin' inside)  
'Coz I need some  
I need  
Real emotion  
I need  
(Feelin' inside)  
(Give it to me, give it to me baby)  
I need  
(Oh yeah)  
'Coz I need some  
(Coz I need some)

I need  
(Give it to me baby, give it to me baby)  
I need  
(Feelin' inside)  
(Give it to me, give it to me baby)  
I need  
Real emotion  
'Coz I need some  
('Coz I need some)  
I need  
I need  
(Feelin' inside)  
(Give it to me, baby)  
I need  
Real emotion  
'Coz I need some
