Celine Dion, So Far Awayds

So Far Away Dire Straits

Here I am again in this mean old town And you're so far away from me And where are you when the sun goes down You're so far away from me So far away from me So far I just can't see So far away from me You're so far away from me I'm tired of being in love and being all alone When you're so far away from me I'm tired of making out on the telephone And you're so far away from me So far away from me So far I just can't see So far away from me You're so far away from me I get so tired when I have to explain When you're so far away from me See you been in the sun and I've been in the rain And you're so far away from me So far away from me So far I just can't see So far away from me You're so far away from me
