

# Celine Dion, The Reason (From My Love)

I figured it out  
I was high and low and everything in between  
I was wicked and wild, baby, you know what I mean  
Till there was you, yeah, you

Something went wrong  
I made a deal with the devil for an empty I.O.U.  
Been to hell and back, but an angel was looking through  
It was you, yeah, you  
It's all because of you

You are the reason  
You are the reason I wake up every day  
And sleep through the night  
You are the reason, the reason

In the middle of the night  
I'm going down 'cause I adore you  
I want to floor you

I'm giving it up  
No more running around spinning my wheel  
You came out of my dream and you made it real  
I know what I feel  
It's you  
It's all because of you

You are the reason  
You are the reason I wake up every day  
And sleep through the night  
You are the reason, the reason

In the middle of the night  
I'm going down 'cause I want you  
I want to touch you  
I want to floor you  
You are the reason, baby

You are the reason  
You are the reason I wake up every day  
And sleep through the night  
You are the reason, the reason
