

Celine Dion, The Wind Beneath My Wings

It must have been cold there in my shadow
To never have sunlight on your face
You've always been content to let me shine
You've always walked one step behind
I was the one with all the glory
While you were the one with all the strength
Only a face without a name
And I never once heard you complain
Did you ever no that you're my hero
And everything that I'd like to be
I can fly higher than an eagle
'Cause you are the wind beneath my wings
You might have thought it went unnoticed
But I've got it all here in my heart
I want you to know I know the truth
That I would be nothing without you
Did you ever know that you're my hero
And everything that I'd like to be
I can fly higher than an eagle
'Cause you are the wind beneath my wings
