

Celine Dion, Think Twice

Don't think I can't feel there's something wrong
You've been the sweetest part of my life so long
I look in your eyes, there's a distant light
And you and I know there'll be a storm tonight
This is getting serious
Are you thinking 'bout you or us
Don't say what you're about to say
Look back before you leave my life
Be sure before you close that door
Before you roll those dice
Baby think twice
Baby think twice for the sake of our love, for the memory
For the fire and the faith that was you and me
Babe I know it ain't easy when your soul cries out for higher ground
'Cos when you're halfway up, you're always halfway down
But baby this is serious
Are you thinking 'bout you or us
Don't say what you're about to say
Look back before you leave my life
Be sure before you close that door
Before you roll those dice
Baby think twice
Baby this is serious
Are you thinking 'bout you or us
Don't say what you're about to say
Look back before you leave my life
Be sure before you close that door
Before you roll those dice
Don't do what you're about to do
My everything depends on you
And whatever it takes, I'll sacrifice
Before you roll those dice
Baby think twice
