

Celine Dion, To Love You More (From My Love)

Take me back in the arms I love
Need me like you did before
Touch me once again
And remember when
There was no one that you wanted more

Dont go you know you will break my heart
She wont love you like I will
Im the one wholl stay
When she walks away
And you know Ill be standing here still

Ill be waiting for you
Here inside my heart
Im the one who wants to love you more
You will see I can give you
Everything you need
Let me be the one to love you more

See me as if you never knew
Hold me so you cant let go
Just believe in me
I will make you see
All the things that your heart needs to know

Ill be waiting for you
Here inside my heart
Im the one who wants to love you more
You will see I can give you
Everything you need
Let me be the one to love you more

And some way all the love that we had can be saved
Whatever it takes well find a way

Ill be waiting for you
Here inside my heart
Im the one who wants to love you more
You will see I can give you
Everything you need
Let me be the one to love you more
