

Celine Dion, Why Oh Why

Don't you know that your my reason
For my love, my life, my being
So secure and so damn sure my
Heart would surely die without you

I tried to swallow my pride
But I felt my heart start to tremble inside
Wish I didn't know cause I can't let you go
Tell me

Why
Why when I looked in your eyes
I felt my heart start to cry
My o my
When I saw you with the other girl

Ooh why,
Why did you have to lie
Cause I felt the trust start to die
Why o why
When I still love you
It's so hard to say goodbye

How can you tell me it was nothing
Cause you took away everything I dreamed in
Just a night and I held you tight
When you know you were sleeping in my bed

I tried to swallow my pride
But I felt my heart start to tremble inside
Wish I didn't know cause I can't let you go
Tell me

Why
Why when I looked in your eyes
I felt my heart start to cry
My o my
When I saw you with the other girl

Ooh why,
Why did you have to lie
Cause I felt the trust start to die
Why o why
When I still love you
It's so hard to say goodbye

[Solo:]

Should I quietly leave through the door
Or maybe pretend the way things were once before
When I met you
I'll never forget you, so

Why
Why when I looked in your eyes
I felt my heart start to cry
My o my
When I saw you with the other girl

Ooh why,
Why did you have to lie
Cause I felt the trust start to die
Why o why
When I still love you

It's so hard to say goodbye
