Celtic Thunder, Remember Me, Recuerde Me

The moonlight dances among the trees The campfire glows in the autumn breeze and I am lost in my thoughts of you Remember me, recuerda me A comrade strums on a sad quitar My mind is drifting to where you are I'm holding you as I used to do remember me, recuerda me, mi amor! So long ago, so far away, each night I pray "volvero los dias passoados" I promise you that come what may those days will stay ever in my memory In all this world I could never find, the love that I had to leave behind But duty calls, so whate'er befalls remember me, recuerda me, mi amor God only knows what tomorrow brings You're in my heart so my spirit sings and I'll be strong just as long as you remember me, recuerda me, mi amor!
