

Celtic Woman, The Call

Sometimes in this life we hear
Calling from somewhere
Sometimes it is loud and clear
Sometimes it's so softly there
Sometimes it is in the sea
Sometimes in the sky
Sometimes it's in you and me
Sometimes it's a cry
Open your heart
I am calling you
Right from the very start
Your wounded heart was calling, too
Open your arms
You will find the answer
When you answer to the Call
Sometimes it is in desire
Or in the love we fear
When the call is calling us
'Till the fear will disappear
When we have no dance to dance
The call is in the song
When we have no voice to sing
Then the call is calling strong
Open your heart
I am calling you
Right from the very start
Your wounded heart was calling, too
Open your arms
You will find the answer
When you answer to the Call
Open your heart
I am calling you
Right from the very start
Your wounded heart was calling, too
Open your arms
You will find the answer
When you answer to the Call
Open your heart, your heart
And you will find the answer
To the Call!
