Center Stage, A Girl Can Dream

Now as a child, the story would say Somebody will sweep you off your feet someday That's what I hoped through and happen with you More than you could know I wanted to tell you that my heart's in your hands I prayed for the day that I would get the chance Just when I worked up the courage to try Much to my surprise You had somebody else, yeah 'Cuz these feelings I keep to myself I may never get to hold you so tight I may never get to kiss you goodnight I may never get to look deep in your eyes Or so it seems I always will be wishing you were mine I think about what could be all the time All the happiness that I could find Baby, a girl can dream From the moment I wake up 'til I fall asleep I imagine you not with her but with me Talkin' and laughin', sharin' our dreams It's just a fantasy 'Cuz you had somebody else 'Cuz these feelings I keep to myself I may never get to hold you so tight I may never get to kiss you goodnight I may never get to look deep in your eyes Or so it seems I always will be wishing you were mine I think about what could be all the time All the happiness that I could find Baby, a girl can dream A girl can dream, it's true And to call you my own Is the sweetest dream of all I may never get to hold you so tight I may never get to kiss you goodnight I may never get to look deep in your eyes Or so it seems I always will be wishing you were mine I think about what could be all the time All the happiness that I could find Baby, a girl can dream Oh, a girl can dream
