

Center Stage, I Wanna Be With You (Soul Solution)

I try but I can't seem to get myself to think of
Anything but you
Your breath on my face, your warm gentle kiss
I taste the truth, I taste the truth
You know what I came here for
So I won't ask for more
I wanna be with you, if only for a night
To be the one who's in your arms, who holds you tight
I wanna be with you, there's nothing more to say
There's nothing else I want more than to feel this way
I wanna be with you, yeah
So I'll hold you tonight like I would if you were mine
To hold forever more
And I'll savor each touch that I wanted so much
To feel before, to feel before
How beautiful it is, yeah
Just to be like this, yeah
I wanna be with you, if only for a night
To be the one who's in your arms, who holds you tight
I wanna be with you, there's nothing more to say
There's nothing else I want more than to feel this way
I wanna be with you, yeah
I wanna be with you
Oh, baby, I can't fight this feeling anymore
It drives me crazy when I try to
So call my name, take my hand
Can you make my wish, baby, your command
I wanna be with you, there's nothing more to say
There's nothing else I want more than to feel this way
I wanna be with you, oh yeah I wanna be with you, wanna be with you
I wanna be, I wanna be with you, yeah
I wanna be baby, I wanna be with you, yeah
I wanna be, I wanna be with you
Baby I wanna be with you
I wanna be
I wanna be with you, yeah
Wanna be with you
