If I Was the One
(ooooohhhh baby)
Listen

I see the way he treats you
I feel the tears you cry
And it makes me sad
And it makes me mad
There's nothing I can do baby

Cause your lover is my best friend
And I guess that's where the story ends
So I gotta try
To keep it inside
You will never be, never be mine but

If I was the one who was lovin you baby
The only tears you'd cry would be tears of joy
And if i was by your side
You'd never know what lonely meant
And if it was my arms you were running to I'd give you
Love in these arms of mine
If I was the one in your life

If i could have just one wish
I'd wish that you were mine
I would hold you here
Kiss away those tears
I'd be so good to you baby

You're the one that was next to me
But i guess that's just not meant to be
Here in your mind
Here in your eyes
That will never be, never be right

If I was the one who was lovin you baby
The only tears you'd cry would be tears of joy
And if I was by your side
You'd never know what lonely meant
And if it was my arms you were running to I'd give you
Love in these arms of mine
If I was the one in your life

Yeahhh!

I wanna reach out and feel you beside me.. right here beside me baby!

Take you in my arms right now
Scream i love you right out loud
Someday I pray
That I'll find the strength
To turn to you and say

If I was the one who was lovin you baby
The only tears you'd cry would be tears of joy
And if I was by your side
You'd never know what lonely meant
And if it was my arms you were running to I'd give you
Love in these arms of mine
If I was the one baby,
If I was the one baby,
If I was the one in your life

If I was the one who was lovin you baby
The only tears you'd cry would be tears of joy
And if i was by your side
You'd never know what lonely meant
And if it was my arms you were running to Id give you
love in these arms of mine
If I was the one in your life

If I was the one
If I was the one in your life
