

# Center Stage, We're Dancing

When the going starts to get rough  
And you feel like you've had enough  
Let the music take control of your soul  
Take a chance and do what you feel  
Your force they cannot live without it  
You gotta break the chain  
Yeah, yeah  
There's a passion inside, an inner strength that drives  
Can't nobody take that away from you  
It's the greatest high, you set the floor on fire  
When you come alive  
And we're dancin', and it feels alright  
I can't control my desire  
And we're dancin', and it feels alright  
Yeah  
And we're dancin', and it feels alright  
Can't hold me down, gotta reach for the sky  
And we're dancin', and it feels alright  
Yeah  
Some people don't know the love you possess  
They pretend what they don't understand  
It's natural  
You're in a world of your own  
There's a passion inside, an inner strength that drives  
Can't nobody take that away from you  
It's the greatest high, you set the floor on fire  
When you come alive  
And we're dancin', and it feels alright  
I can't control my desire  
And we're dancin', and it feels alright  
Yeah, yeah, yeah  
Push it too the max  
Feel the room fall at your feet  
Don't you dare hold back  
'Cause it feels so good  
There's a passion inside, an inner strength that drives  
Can't nobody take that away from you  
It's the greatest high, you set the floor on fire  
When you come alive  
And we're dancin', and it feels alright  
I can't control my desire  
And we're dancin', and it feels alright  
Yeah  
And we're dancin', and it feels alright  
Can't hold me down, gotta reach for the sky  
And we're dancin', and it feels alright  
Yeah, yeah, yeah  
And we're dancin'
