

# Centinex, Apocalyptic Armageddon

(Music: Schulman)

(Lyrics: Schulman)

The triumph of death  
Like a spell of mayhem it prevails  
Sent to destroy  
The Holy sacred feeble light  
Devastating warlust  
Follow the crusade against life  
A violent kingdom  
Where the dreams are raped with blood

Armageddon, revelation, Armageddon 666  
The masters of terror reign further with blasphemy

Glorious destruction  
Warriors of deadly freezing steel  
It's time for war  
It's time to unleash the final fire  
Blasphemous beasts  
Towards the silent morbid throne  
Millennium chaos  
Malice of the flesh raging near

Armageddon, revelation, Armageddon 666  
The masters of terror reign further with blasphemy

The endless plague - a conspiracy of lust and death  
Dominion - no sign of light  
The hell has arrived

Devil's force - among division holocaust  
A crescent flame - sings those dreams far away  
No retreat - the new glorious age is here  
The apocalypse - the jaws of the infernal antichrist

## 2. Seeds of Evil

(Music: Wiklund)

(Lyrics: Jansson & Schulman)

(Lead: Wiklund)

(Lead: Kjellgren)

On my way through the past  
With guidance of the dead  
Abandoned to the dark  
With my demons of lust

I am the son of evil, born of hate and greed

I am the master starving for your blood  
I am the chaosbreeder in my seeds of evil

I live forever in the dark  
With whores by my side  
Surrounded by demons  
In my hellish domain

I am the son of darkness, born of hate and greed

I am the master starving for your blood  
I am the chaosbreeder in my seeds of evil

Seeds of evil breeding your sins

(Lead: Wiklund)  
(Lead: Kjellgren)

Feeble souls of eternal hate - forbidden sins in crimson blood  
Morbid lusts of bleeding hearts - immortal art: Anno Satani

On my way through the past  
With guidance of the dead  
Abandoned to the dark  
With my demons of lust

I am the son of evil, born of hate and greed

I am the master starving for your blood  
I am the chaosbreeder in my seeds of evil

Feeble souls of eternal hate - forbidden sins in crimson blood  
Morbid lusts of bleeding hearts - immortal art: Anno Satani

### 3. Everlasting Bloodshed

(Music: Kjellgren)  
(Lyrics: Schulman )

For mighty misery and anger  
With violence, fire and pain  
The dawn of crusade chaos  
Infernal - Eternal  
The light of your existence  
Is crashed to bleeding pieces  
Your dreams of glory  
Desecrated - Devastated

I have opened the gates  
Now your soul is mine  
In everlasting bloodshed  
Your kingdom is gone

The blade of stormy hatred  
A wind of total darkness  
The triumph of hellish murder  
Monumental - Dominion  
A hellcult with demons  
Embrace the swords of carnage  
Forgiveness, entangled  
Forever - Blasphemy

I have opened the gates  
Now your soul is mine  
In everlasting bloodshed  
Your kingdom is gone

Your spirit is forgotten and dead  
Almighty devil ripped your flesh away  
I am the bringer of torture and hate  
I spread my burning neverending shade

(Lead: Wiklund)

For mighty misery and anger  
With violence, force and pain  
The dawn of cursed chaos  
Infernal - Eternal  
The light of your existence  
Is crashed to bleeding pieces  
Your dreams of glory  
Desecrated - Devastated

I have opened the gates  
Now your soul is mine  
In everlasting bloodshed  
Your kingdom is gone
