

# Central Cee, Commitment Issues

I got commitment issues  
But I'm tryna' fix that for you  
If I can't afford that bag that you want  
Then I would lick that for you, huh  
I wanna be there for you  
I knew that the day I saw you  
Too many times we argued  
Sorry for all the names I called you  
Should've never called you a bitch  
But I did, now you're pissed, tryna' cut my clothes (don't do that)  
Shoulda deleted that text, then I wouldn't have known that I fucked those hoes (alright)  
Don't act like you care how I feel  
Don't act like you care how I feel, you don't  
Don't like how you act so spoilt, and you start move mad when I tell you no  
But I wanna' make it known (alright)  
I gotta' take my time with love, so we gotta' take it slow ('tek time)  
I'm not used to this type of stuff, but I can still make you moan  
Anytime that you want, I can lay that (anytime)  
You wait on the day that I say "I love you too", but I just can't say that (say that)  
You want that bag, I'mma hit that trap  
In a week I'll make that purchase (I'll buy that)  
One touch make her leg start shake, make her legs start shake, like I make you nervous (oh yeah)  
Every time I rap 'bout hoes, I know that you hate those lyrics (I know)  
I don't believe in love, but that don't mean I don't take you serious (alright)  
I got commitment issues  
But I'm tryna' fix that for you

Don't like how you act so spoilt, and you start move mad when I tell you no  
I got commitment issues (I do)  
I know that your ex still miss you (I know)  
You can't get enough of my love 'cause I give you a fuck that your ex can't give you, huh  
Send a location (skrr)  
I'm speeding 'cause I got no patience  
Twenty bags on trainers  
Think I'm famous, I got a lot of hoes though lately (ah)  
I get a lot of dough though lately, and I get paid on the promo lately  
A lot of fake love in the air, can't go nowhere on my solo lately  
Me and her just argue daily  
She knows that I trap, so her marge don't rate me  
When I don't text back, I ain't with a yat  
I'm in the bando, baby  
I got commitment issues  
But I'm tryna' fix that for you  
If I can't afford that bag that you want
