Yeah, that's my baby, she my baby, I know why
Yeah, she's so fly, yeah, you're so fly
Yeah, that's my baby, she my baby, she know why

Yeah, something like an angel
Lookin' deep to your eyes, got me feeling unstable
Wondering if I'm able to make it on the bed, let me hear you on the table
Got me feeling [?]
Looking like [?] on the girls like an 8-Ball
Pussy tight like [?]
Make me say, "I'll strip you out of your jeans"
Lick you out 'till you scream
Drippin' down to your knee
Drippin' off the Codeine, yeah
I know why, my bro's alright
And I've been trappin' out in OT, I'm alright
Yeah, spend my money on you, baby
Make it back with me, baby, in the trap with me, baby
Say that you ain't done this before, say I'm different, girl come on tap for me, baby
Make it clap for me, baby
Be you, my girl, don't act for me baby
Don't act like a baby
Yeah, I'm out, get clapped if you chat to my baby

He can't take it slow, start from first base
You're the only one that won in first place
Lit of my girl, my girl that blows here
She's alright and she ain't gone helpless

Do you, do you
Believe in angels, in angels
You are so fly, bae
Do you, do you
Believe in angels, in angels

Yeah, she's so fly, yeah, you're so fly
Yeah, that's my baby, she my baby, she know why

She's something like heaven on, thinking I'ma get it on
Sometimes I might get it wrong
This ain't just a song where it's getting long, I'ma just walk out
Got me sore out, got me torn out
Emotions pull them all out
Stepping out the [?] now, lemme, lemme know when the force out
How many times gotta tell you
How many times gotta bail you
Aye, help me, help you
I want you, no one else, boo
Stick back [?] and don't blame me, tryna get in

Dark thing, I'm tryna get in
Tryna get money, tryna get rich

White lies, the truth hurts
Don't bite back the [?]

Do you, do you
Believe in angels, in angels
You are so fly, bae
Do you, do you
Believe in angels, in angels
You are so fly, bae
Fly, you are so fly
Yeah, that's my baby, she my baby, I know why
