

# Central Cee, Sex Money Drugs

(Beam me up, Scotty)  
I coulda been laid up with shorty  
Fuck it, the grind more important  
Told her I'm in stu' all night  
Hold tight, I'll reply in the morning  
I'ma buy that drip times two  
For all of the times I couldn't afford it  
All of the times I came up with rhymes  
Mad that I couldn't record it

Sex, money, drugs  
I need all three  
The life that I live 3D  
The shit that you see on TV  
I say that I live my movie  
I might make a DVD  
The shit that we see daily  
You see it on BBC

It's getting easy  
I might make a whole EP  
I'm in the public eye  
But I'm tryna move lowkey  
I'm hearing the demons talk  
When I try and go to sleep  
I'd let you in on my thoughts  
But I don't wanna go too deep  
I'm showing the young Gs things  
The olders didn't show me  
I'm getting DMs from yutes  
Saying that he wants P, can he go OT?  
All glitter ain't gold  
Sugar and salt  
It ain't what it seems  
If you weren't there when they were asleep  
Then you was not part of the dream

I coulda been laid up with shorty  
Fuck it, the grind more important  
Told her I'm in stu' all night  
Hold tight, I'll reply in the morning  
I'ma buy that drip times two  
For all of the times I couldn't afford it  
All of the times I came up with rhymes

Vex that I sold that you a dream  
But baby, you shouldn't of bought it  
It's not my fault  
You got feelings that you shouldn't have caught  
When I had no whip she woulda ignored  
She gunna get wet when I put it in sport  
It's too late though, you shoulda before  
The gift that I got from God's not taught  
Part of the dream

Success not greed  
Obsessed with progress  
I been rock bottom you don't wanna  
Where I'm from no hope  
When they can't cope they turn to dope  
Where I'm from you learn to trap  
Before you're allowed to smoke

I coulda been laid up with shorty  
Fuck it, the grind more important  
Told her I'm in stu' all night  
Hold tight, I'll reply in the morning
