

# Centurian, In The Name Of Chaos

Cursed am I to be caught in flesh  
Caught in cancer  
Caught in gods creation  
Trapped with gods followers  
Born in the stink of god  
Smell the rot of god

HAIL CHAOS GODS !!!  
HAIL SERPENT SOULS !!!  
HAIL SPIRITS OF DEATH !!!

HAIL CHORONZON !!!  
COME FORTH FROM FIRE !!!  
COME UNTO ME !!!

Bring everlasting flames unto us  
Bring down all what lives

That we may loose  
The minions of christ

Feel compelled to kill us all  
Be supreme in murder and sadism  
Serve this worlds need to perish  
Be vulgar in violence

Bestow the world with genocide  
Fill our minds with suicide

Deliver us unto Chaos  
Deliver us unto destruction

Let us walk the desert of dried blood  
That we may see who will get through

CHAOS IS THE WAY !!!
