Abomination! Pandemonium hath enslaved the lands..
Mass inception! Children of the pyre! Obtained vengeance! Claim the throne!
Hovered on wing, of impious suns.. Dire in arms, left untold..

I sung of chaos and an eternal night..

I raped the lands of all his light..

Cast out, i hath returned of hell..

Upon my blade the heavens fell..

With fierce winds of Orion armed as bodies of angels fell as autumnal leaves upon his tranquil stre

I have journeyed! Of myriad dimension of unpass space and time. I hath awoken the sleeping hour

Gaze upon creation comrades.. Now truly our time has come.. Sathanas... Thy kingdom come!

From this dark and dismal house i have condemned all heavenly hosts.. For thee hounds of Zonei

(Of Elder Revisitation)

Released upon the world of men once more.. Cthulu, hearken and remember!

To void the earth of tranquil life once more.. Marduk, hearken and remember!

At once gazing upon the eyes of old.. Marduk hath seethed with irk and vile contemplation.. Spirit o

I call to thee!

What spirit on earth hath conjured...

Name of the Covenant!

Proceeded of hidden realm retreat...

Watcher of the ways!

Past upon the mighty gate...

Upon the throne lucifer sits in contemplation of unresurrection

As beasts are these ancient yet elder gods of dimensions past.

They must return from whence they came as spirits exorcized

Fell beasts of unimaginable force.. For they may challenge the throne of mine..

Beasts of burden.. Unconstrained by forces of heavenly nature

Ever watchful those eyes of watching gazing upon mine eyes..

Fell beasts of unimaginable force.. For they may challenge the throne of mine..

Ever purposeful they awaken from tomes of restraint of hell....

(Opus o' Sathanas)

Mother darkness! Wrap your loving arms around me..

I have sung of chaos and eternal nights of burning moon

I hath brought hellacaust upon the lands of men and beast

Raised iniquitous creation of pure sin from earthen tombs..

These hosts of hell with ceaseless cry, the shining crown of night....
