

Ceremonial Oath, Carpet

He told me he didn't want to be a
liar no more so afraid of being this
carpet flowing around
Emotions just walking by
and put behind the foggy bar
Nobody ever dies
I torch the burning skies
Fire,feeding my cries
Nobody ever dies
Nobody ever dies
Stop forcing your lies
Your hearts are cold as eyes
Nobody ever dies
All he wanted was to disappear
Disappear,into the silent people
Always stamped at
always forgotten
He didn't have to realize
We already realized his rotten life
But he's just waving it away
