

# Ceremony, Cold Cold Night

I feel so sorry  
On a Saturday night  
I feel so lonely  
On this cold, cold night

On this cold, cold night  
On this cold, cold night

I can't take it anymore  
Your footsteps walk out the door  
I can't take it anymore  
Your footsteps walk out the door

I don't think I'll ever change, I'll never change, oh no  
'Cause I miss you, I miss you, I miss you  
I miss you, I miss you, I miss you

But your feelings inside  
They're not the same  
Your feelings inside  
Are gone

It's times like this  
I don't know what to do  
It's times like this  
I can see myself kissing you

I never meant to say goodbye  
I never meant to make you cry

On this cold, cold night  
On this cold, cold night  
On this cold, cold night  
On this cold, cold night
