

Ceremony, Nothing Inside

Where do you go when the sun goes down
I think about you all the time you're around
It's all gone when you walk away
It's all gone, I could die today
It's all gone when you say goodbye
It's all gone, now I want to die

Where can we go where we're all alone
I think you turn me on, wanna take you home

All alone and I want to die
Feeling nothing, nothing inside
All alone and I want to die
Feeling nothing, nothing inside
All alone and I want to die
Feeling nothing, nothing inside
All alone and I want to die
Feeling nothing, nothing inside
