

# Cessyl Orchestra, Did It Ever Cross Your Mind

Did it ever cross your mind  
Sometimes love is hard to find  
And I'm not the one for your weary soul  
Did it ever cross your mind  
That I have feelings I could never tell about  
And I'm dying slow

See I just spent six black days in the rain  
And I don't know if I'll ever be the same  
The only one I've loved is gone forever  
And I highly doubt that I'll be cured  
By your false endeavor  
Oh, did it ever cross your mind?  
Oh, did it ever cross your mind?

Did it ever cross your mind  
Eight tenths of love is hard to find  
But I found it and I lost it  
And I'm screwed  
Did it ever cross your mind  
That maybe I ain't all that strong  
And possibly I'm more confused with yo

See I just spent six black days in the rain  
And I don't know if I'll ever be the same  
The only one I've loved is gone forever  
And I highly doubt that I'll be cured  
By your false endeavor  
Oh, did it ever cross your mind? /4x
