

Cetera Peter, On The Line

Cetera Peter

Peter Cetera

On The Line

I was drivin' along at the end of the day

I was weary and so all alone

Looking ahead by the side of the road

What I saw was the sign "Telephone"

*Talking to you is something I need

More than I needed before

If I ever get through won't you give me the time

Won't you answer my call, won't you stay on the line

It's a moment of truth then a shadow of doubt

Now I need you to stay on the line

It's never as bad when we're talkin' it out

Now I need you to stay on the line

(Repeat *)

Answer my call, won't you stay on the line

I believe I have a right to say

What I wanna say

And I believe it but I'm keeping it to myself

I believe I have a right to do

What I wanna do

**All of my life, all of my life

All of my life, all of my life

I believe I have a right to be

Where I wanna be

I believe it and I wanna be there with you

I believe I have a right to see

Who I wanna see

(Repeat ** 2 times)
