Cetera Peter, On The Line

Cetera Peter
Peter Cetera
On The Line
I was drivin' along at the end of the day
I was weary and so all alone
Looking ahead by the side of the road
What I saw was the sign " Telephone"
*Talking to you is something I need
More than I needed before
If I ever get through won't you give me the time
Won't you answer my call, won't you stay on the line

It's a moment of truth then a shadow of doubt Now I need you to stay on the line It's never as bad when we're talkin' it out Now I need you to stay on the line

(Repeat *)

Answer my call, won't you stay on the line

I believe I have a right to say What I wanna say And I believe it but I'm keeping it to myself I believe I have a right to do What I wanna do

**All of my life, all of my life All of my life, all of my life

I believe I have a right to be Where I wanna be I believe it and I wanna be there with you I believe I have a right to see Who I wanna see (Repeat ** 2 times)
